

EVENT / TOURNAMENT EQUIPMENT HIRE RATES

BaseballSoftballUK can provide baseball and softball equipment to domestic tournaments and events. Because such equipment suffers considerable wear-and-tear throughout the course of a one-day or two-day competition, we will charge modest hire rates to borrowers. This will allow us to repair and replace equipment throughout the course of the summer and keep the gear in a quality state for future use by tournament/event organisers.

All prices below are for a weekend hire, whether for a one-day or two-day event.

QUANTITY	ITEM	DESCRIPTION	UNIT PRICE
One set	Bases	Hollywood brand or equivalent (rubberised) - 2 x single bases - 1 x safety first base - 1 x home plate - 1 x pitching rubber	£10.00
One roll	Mesh fencing	Green or blue mesh fencing with attached ground stakes (50m x 1m)	£1.00
One set	Backstop	Heras anti-climb fencing backstop - 3 x panels (3.5m x 2m) - 4 x anchor blocks (5kg) - 6 x couplers	£5.00
One	Flipover scoreboard	Baiden flipover baseball/softball scoreboard, showing inning and home/away score	£3.00
One	Pop-up gazebo	Green pop-up gazebo (3m x 3m)	£5.00
One	PA system	Dual-speaker portable announcement system with microphone and attachments for iPod	£25.00

All hires are subject to a £300 security deposit to ensure the safe return of the equipment in an acceptable state.

Transportation of equipment from BSUK storage is the responsibility of the hirer, and all equipment must be returned to BSUK storage on the Monday or Tuesday following the event weekend.

NOTE: BSUK reserves the right to reduce or waive equipment hire fees for events that help to develop the sports of baseball and softball in terms of growth of participation or increased satisfaction to the playing community.
