

# BSUK Facilities guidance

# Funding

**As part of BaseballSoftballUK's 2020-2024 Two Sports One Ambition Strategy, launched in August 2020, BSUK reaffirmed its commitment to help grassroots baseball and softball clubs and leagues across the UK to become stronger, safer and more sustainable.**

One such way that BSUK will support clubs and leagues is through funding infrastructure projects, helping to create more places to play baseball and softball. Please have a look at our Facilities Fund here [www.baseballsoftballuk.com/facilities-fund](http://www.baseballsoftballuk.com/facilities-fund)

There's also a range of sources where clubs and leagues may apply funding to develop or improve a facility. These sources change and are updated often. Your BSUK Relationship Manager, your Active Partnership, and your Local Authority would be able to point you in the right direction to apply for current grants and loans if available.

The Sport England, Sport Scotland, and Sport Wales websites are another good source of funding information, which are updated regularly.

## Helpful websites

[www.sportscotland.org.uk](http://www.sportscotland.org.uk)

[www.sportwales.org.uk](http://www.sportwales.org.uk)

## Funding application support

Your BSUK Relationship Manager will be able to help you or signpost you to a member of staff who will be able to support you with any funding application your club may be thinking of.

Whether you have already applied for a similar funding pot or it's a brand new funding stream, BSUK will gladly walk your club through the process of applying for funding.
